"Education is the

Glenwood School, located on a beautiful campus of eighty-six acres, is an institution dedicated to the developing of the individual and preparing him for successful future. Dedicated teachers and modern equipment assure each student the opportunity for high achievement and "quality education."

Apprenticeship of Life."

There are five tests of the evidence of education - correctness and precision in the use of the mother tongue; refined and gentle manners, the result of fixed habits of thought and action; sound standards of appreciation of beauty and worth, and a character based on those standards; power and habit of reflection; efficiency or the power to do.

Nicholas Murray Butler

A taste of every sort of knowledge is necessary to form the mind, and is the only way to give the understanding its due improvement to the full extent of its capacity.

Locke

Classes and Schools

*Activities Prepare Students
for the Future*

"Science is but the statement of truth found out."

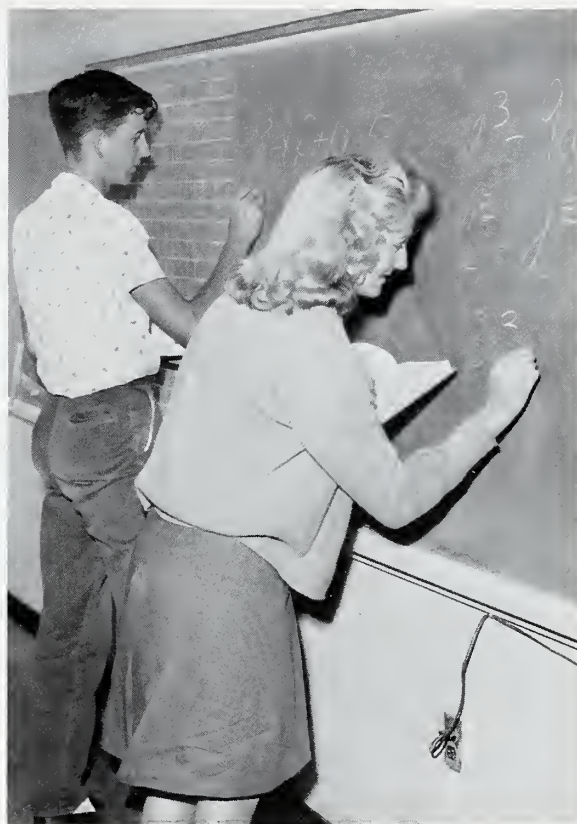

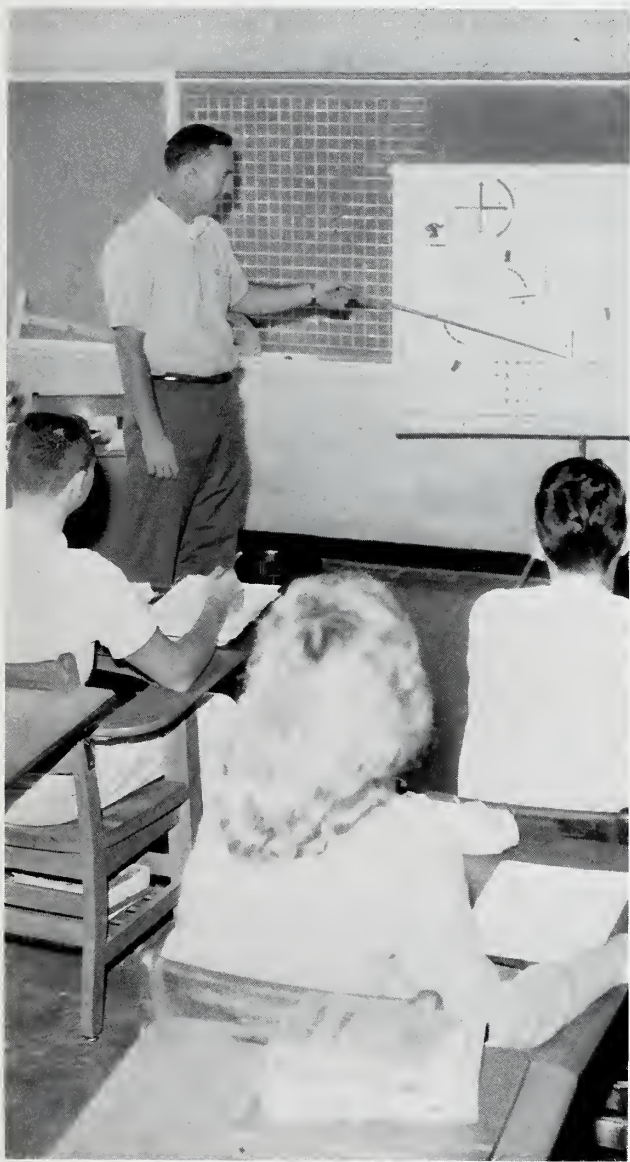

Experimentation

The growing emphasis in the field of science has been the result of the increasing importance of science in our society. The Science Department tries not only to interest students in the fields of science but also to help them to understand the world in which they live.

The study of mathematics is like climbing up a steep and craggy mountain; when once you reach the top, it fully recompenses your trouble, by opening a fine, clear, and extensive prospect.

Tryon Edwards

Problem Solving

Mathematics, the science of quantities and magnitudes, is taught by discussion and actual problem solving. Mathematics courses develop the student's ability to reason and help him to acquire the fundamental skills for which there is a demand in our society.

Learning to

"Home is the seminary of all other institutions."

E. H. Chapin

Utilize the Home

Home economics classes are very practical, as well as educational. They help to prepare students for careers in home management.

Agricultural Training

"Agriculture is the foundation of manufactures, since the productions of nature are the materials of art."

Vocational Agriculture is designed for those interested in either the production phase or the many other occupations related to agriculture. Through group and individual projects training is given for useful citizenship and civic responsibility in a rural society.

This page sponsored by SEALTEST DAIRY PRODUCE - MARION MACHINE CO.

Growing Physically

"Health is the vital principle of bliss; and exercise, of health."
Thomson

Physical fitness is stressed in the athletic program. Students take physical fitness tests at the beginning of the year and again at the end of the year to measure their progress. A course in health and physical education is required of all ninth grade students.

Maturing Socially

"Good manners are the out-expression of an inner respect for other people and pleasure in their company."

Nothing is more essential to a complete education than social maturity. School activities afford the student abundant means of learning social graces that contribute to a more successful life.

With Sincere Admiration, We Dedicate . . .

It is an honor to pay tribute to one who has become a genuine part of Glenwood School. Her interest in the students and her loyalty and devotion to duty have endeared her to all who have come under her influence.

Because her guidance and understanding during our early years of school have earned a place of highest esteem in our hearts, we the Senior Class, dedicate this nineteen hundred sixty-four edition of the Nushka to Mrs. Ruth Hawkins.

Mrs. Ruth Hawkins

"... the temple the teacher builded shall endure while the ages roll; for that beautiful, unseen temple was a child's immortal soul."

P.T.A. Officers

The two main projects of the P.T.A. are sponsoring the school band and the summer recreation program. Officers of the P.T.A. are Jimmy Lawing, president (not pictured); Mrs. Gene Smith, vice-president; Mrs. Bryan Geouge, secretary; and Mrs. Ruth Hawkins, treasurer.

Alumni Officers

The Alumni Association meets biennially. Their most outstanding project is sponsoring a scholarship fund for worthy Glenwood graduates who wish to continue their education. Serving as officers of the Alumni Association are Miss Charline Hemphill, secretary; Mrs. Patricia Greer, treasurer; Ray Dean Arrowood, vice-president; Mrs. Willette Lawing, corresponding secretary and Leroy Suttles, president.

ADMINISTRATION

*The quality of mercy is not strained;
It droppeth, as the gentle rain from heaven
Upon the place beneath; it is twice bless'd —
It blesseth him that gives, and him that takes.*

FRANK W. HOWELL
Principal

To know Mr. Frank Howell is to love and respect him as a friend, as a counselor, and as a principal. His personality reaches into the heart of every student. Often he has given advice which boosted many a faltering spirit.

We are indeed grateful to Mr. Howell for his patience, kindness, and helpfulness during our school years.

Sincerely,
The Senior Class

CLASSES

*And this our life, exempt from public haunt,
Finds tongues in trees, books in the running
brooks,
Sermons in stones, and good in everything.*

SHAKESPEARE

Seniors

The Senior Class officers are Johnny Swann, president; Bobby Koone, vice-president; Shirley Perdieu, secretary; and Doris Gilliam, treasurer.

The fifty-three members of the Senior Class (twenty-four girls and twenty-nine boys) have found this year to be perhaps one of the busiest and most enjoyable of their high school years. In addition to the regular classroom work, the Senior Class have participated in many co-curricular activities including publishing the school paper and yearbook, taking an active part in varsity basketball and baseball, and serving in many of the school clubs. Truly the Class of '64 has found some meaning to their class motto by living their school years fully, laughing often, and loving much.

MOTTO

"He has achieved success who has lived well,
laughed often, and loved much."

Class Poem

Another class has reached the portals
Of the halls of Glenwood High;
Though we know we're only mortals,
Still our spirits soar on high.

When we were Freshmen, little we knew
Of the joys that would be ours,
'Till as Sophomores we came to view
Some values of the precious hours.

Our year as Juniors, we well recall,
Brought us nearer to the goal;
To emerge as Seniors in the fall
Was the yearning of each soul.

Here we are - the Class of '64.
Graduation draws ever nigh.
We feel as classes gone on before
Regrets to leave Dear Glenwood High.

Thirty-nine girls and forty-two boys make up the eighty-one members of the Junior Class. This year the Juniors turn their thoughts to ordering class rings, planning the Christmas Party and the Junior-Senior Banquet, and participating in graduating exercises as marshals. Furthermore they are considering more seriously the vocations they are planning to follow.

Sophomores

Serving as officers of the Sophomore Class are Marie Reel, president; Roger Arrowood, vice-president; Shirley Huskins, secretary; Elaine Toney, treasurer; Ruby Suttle and Norman Arrowood, reporters.

The Sophomore Class has an enrollment of seventy-five members, thirty-nine girls and thirty-six boys. They began the year with such new experiences as memorizing from Shakespeare, experimenting in biology, and solving more difficult problems in mathematics. In addition to the conventional classroom activities, they participated in sports and club activities. One of the highlights of the year was the Christmas Party.

One hundred Freshmen joined the ranks of high school last fall. These students were eager to find their places in classes, clubs, and other activities. There were many challenges in the new fields of learning - home economics, agriculture, algebra, and science.

Some of the highlights of the year were planning the annual Christmas Party, crowning the King and Queen, and selecting the Freshman Sweetheart.

The Beta Club is an achievement-service organization for high school students. Its objectives are to encourage effort, promote character, stimulate achievement, and to encourage students to continue their education after high school. To be eligible for membership, a student must maintain a high scholastic average and have the recommendation of the executive head of the school.

Among the projects of the Beta Club this year were presenting gifts and fruit baskets at Christmas, giving an assembly program, and compiling an honor roll for the school newspaper.

Student Council

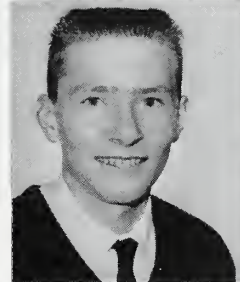

The Student Council is organized to help the student body at Glenwood in its relations with the faculty. They discuss student problems, make suggestions, and present them to the principal. The council conducts recreation during the lunch hour for the students.

The main purpose of the Future Homemakers of America is to help members to improve personal, family, and community living, now and in the future. This organization, as an integral part of the homemaking program, provides opportunities for students to have additional experiences in planning and carrying out activities related to homemaking.

The Glenwood Chapter of the Future Farmers of America is one of the most active clubs in school. The primary aim of this organization is to develop agricultural leadership, co-operation, and citizenship.

As part of the year's activities, the boys enter land judging and tool identification contests and assist community development clubs. During the summer each boy is busy carrying out his supervised farming program. Many of the boys attend the F.F.A. Camp at White Lake for a week.

The Norman F. Steppe Chapter of the Future Teachers of America was chartered in 1952. The purpose of the club is to encourage promising students to choose teaching as a career. The members are given opportunities to participate in classroom teaching and other activities concerning teaching.

The major projects this year were presenting a radio program and entertaining the teachers with a tea during American Education Week, giving clothing and toys to needy children at Christmas, and presenting a radio program on "Teacher Recruitment."

Future Nurses of America

The Future Nurses Club was organized to instill a love for nursing and to encourage the members to consider nursing as a career.

The Christmas Party for the underprivileged children is the highlight of the year, when the members truly experience the "Love of Christmas." Another interesting project is the annual visit to the Marion General Hospital.

The Key Club is a national junior chapter of the Kiwanis International Club. Its purpose is to develop civic responsibility among its members so that they can fill a place of leadership in their community in the years to come.

The major activity of Glenwood's twenty-two members is the collection, repair and distribution of toys to underprivileged children at Christmas.

The Campus Book Club was organized this year by the advanced junior and senior English classes. The purpose of the club is to stimulate an increased interest in reading by ordering inexpensive paperback editions of outstanding books not available in quantity in the school library. Each member of the club is urged to increase his own collection of books and to exchange books with other members.

The Chemistry Club, sponsored by Mr. Clyde Day, is composed of members of the chemistry class. The National Defense Education Act has made possible the purchase of equipment necessary for a well equipped chemistry laboratory.

Chemistry Club

The private music and dancing lessons taught by Mrs. La Verne Jeffries and Mrs. Dimples Simmons have helped to develop the talents of many students. These classes enable students to understand and appreciate good music and to become more graceful and enjoy social life.

Piano and Dance Students

Band

The school band, under the direction of Professor Joseph De Nardo, has made great progress during the two years since it was organized. The band is composed of forty-two members from the third through the ninth grades. Funds for needed instruments are furnished by the Glenwood Parent-Teacher Association.

Professor Joseph De Nardo directs the school band in a practice session.

The Spotlight Staff publishes a mimeographed paper five times a year. Each publication consists of school news events, research articles and features, and creative writing in the forms of editorials, short stories, and poems.

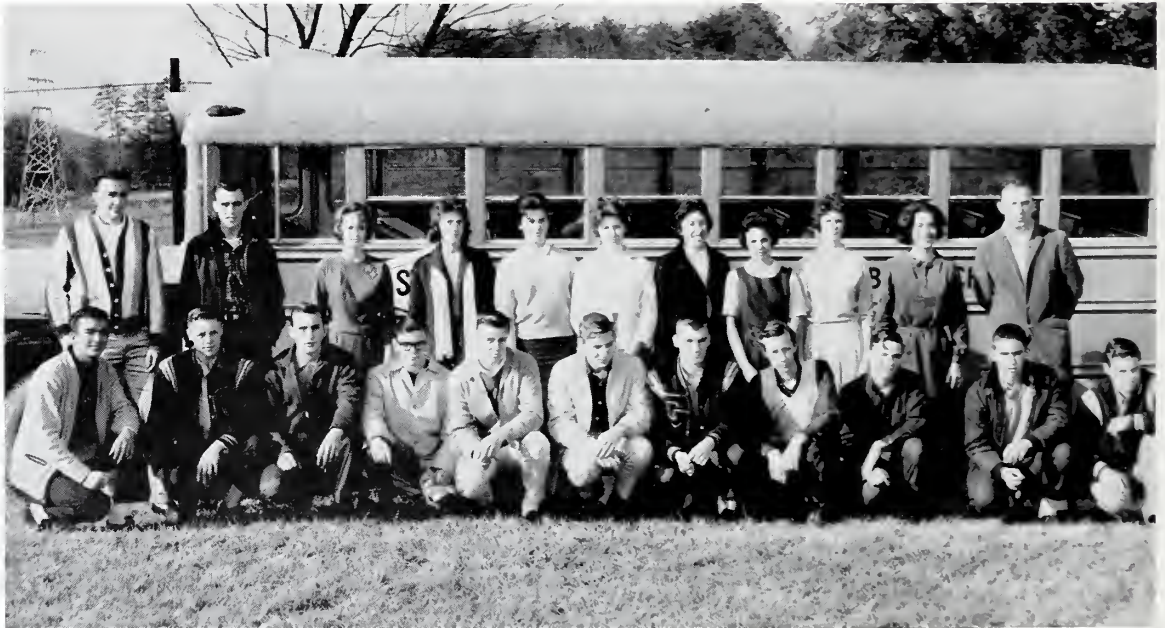

Bus Drivers

Fourteen bus drivers are responsible for transporting over eight hundred students to and from school each day. SEATED: Bobby Konne, Gary Morgan, Dean Simmons, Mike Smith, Scotty Willis, Bill Millwood, Harold McCurry. STANDING: Betty Arrowood, Judy Allison, Betty Painter, Rachel Hensley, Eddie Blankenship, Truitt Woodby, and Dean Woodby.

Bus Patrol

The aim of the Safety Patrol is to have accident-free buses. Under the supervision of Mr. Harold Mask, the club sponsor, the patrol members help to promote safety by supervising behavior on the buses, acting as flagmen at bus stops and railroad crossings, and assisting bus drivers during an emergency.

MARSHALS

Shirley Perdue
Johnny Swann
Betty Arrowood
Gayle Houck, Chief

Mrs. Fred Morris, lunchroom manager, and her staff prepare meals for approximately 630 students each day. These women are to be commended for their efforts to serve wholesome, appetizing meals that make the lunch hour so enjoyable.

Lunchroom Personnel and Custodians

The conscientious efforts of our school custodians are greatly appreciated. Mr. and Mrs. James Con-drey spend many hours working to keep the school plant and grounds clean and attractive.

Baseball

Left to Right: Harry Childers, manager; Lawrence Reel, Larry Vaughn, Jerry Barlowe, Neal Franklin, Eddie Hawkins, Bobby Holland, Danny Cogdill, Norman Arrowood, manager. SECOND ROW: Coach Paul Flack, Bobby Koone, Roger Franklin, Bill Smith, David Owens, William Poteat, Delburn Ezell, Clinton Reel, Mike Smith, Coach Ted Tipton.

Baseball coaches Paul Flack and Ted Tipton hold the trophy won by last year's team.

The Glenwood Dragons had a surprisingly successful 1963 baseball season. During the regular season, they ended in a tie for first place with the Old Fort Redskins. In a play-off with the Redskins, the Dragons won, thus receiving a nice trophy and being named the McDowell Conference Champions.

Many of the players from the championship team are returning, and a successful season is anticipated for 1964.

Cheerleaders

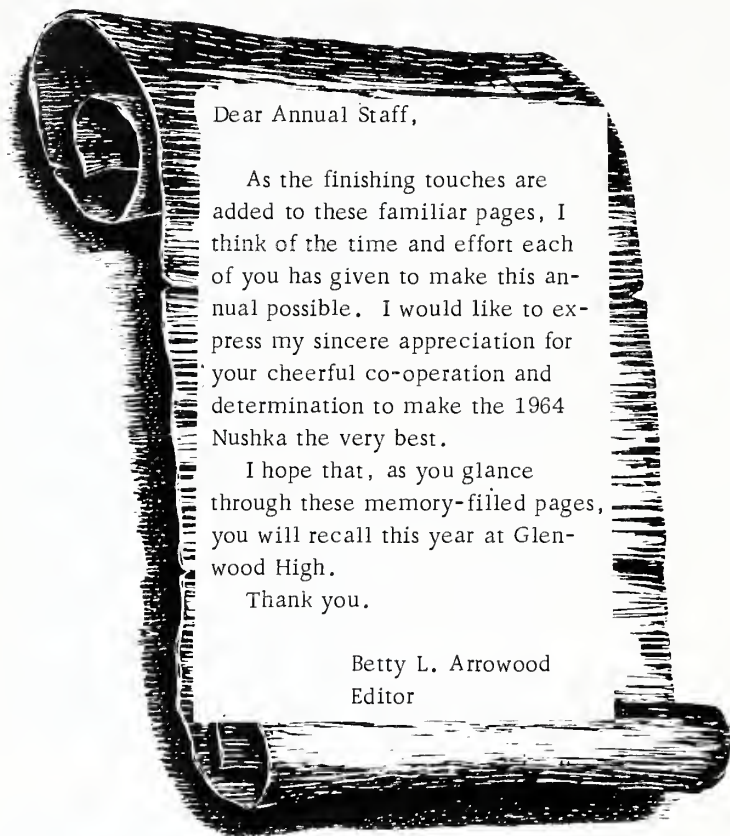

Because of the efforts of the cheerleaders, the basketball teams can be sure of support from the crowds. Even when the competition is tough, the cheerleaders keep the flame of hope burning in the hearts of players and loyal spectators.

Mrs. Betty Lawing, cheerleader sponsor, and Doris Gilliam, captain..

Left to Right: Wanda Ledbetter, Gayle Houck, Sandra Laughridge, Shirley Nelson, Doris Gilliam, Joan Burgett, and Linda Patton.

Dear Annual Staff,

As the finishing touches are added to these familiar pages, I think of the time and effort each of you has given to make this annual possible. I would like to express my sincere appreciation for your cheerful co-operation and determination to make the 1964 Nushka the very best.

I hope that, as you glance through these memory-filled pages, you will recall this year at Glenwood High.

Thank you.

Betty L. Arrowood
